

Subject: HCRA Review, Update #5: Phase 1 Feedback
Attachments: HCRA_Survey Summary.pdf

Wednesday 13 November, 2019

PHASE 1, Feedback

Seed People Consulting have provided a summary of the feedback from the survey and interviews for members to review [here](#) and is also attached. This feedback is very important to HCRA and will be incorporated by the working groups into the development of the future strategic and operational plans.

Please note that the upcoming workshops in Phase 2 will not be focused on all the matters raised in Phase 1. They will be focused on developing innovative ideas with respect to the future strategic priorities of HCRA.

Please register to have your say and get involved in the future of HCRA.

Moving forward, if you would like to be involved in a working group to ensure these ideas and operational changes are implemented, then you need to either come along to a workshop or submit some ideas via email to yourteam@seedpeopleconsulting.com.au by Monday 18 November 2019 to be eligible to participate. Research leaders who participated in interviews are also eligible to join a working group.

PHASE 2, Future Vision for HCRA

This phase will gather 'blue-sky' ideas and research priorities from **you**, our members, and help us to focus our collaborative efforts. The ideas put forward will be used to develop our vision and research focus for the Hunter and beyond. We welcome you to attend an upcoming workshop and have your say.

Friday 15 November, 2.00pm – 4.00pm
Room 2065, Level 2, Calvary Mater Newcastle

Tuesday 19 November, 1.30pm – 4.30pm

Room 414, Level 4, Medical Sciences Building West, Callaghan Campus

Wednesday 20 November, 9.00am – 12.00pm

Caves Lecture Theatre, Hunter Medical Research Institute

If you are unable to attend the workshops but would like to contribute points for consideration during these discussions, please contact yourteam@seedpeopleconsulting.com.au by Monday 18 November 2019.
